To: WA and WAE Member Associations
Date: 15/10/2026
Subject: Invitation to the Pre-European Games Training Camp

Dear Colleagues,

In preparation for the Istanbul 2027 European Games, which will take place from 16 to 27 June 2027, we are pleased to announce that a Pre-European Games Training Camp will be organised at the Archers Foundation Archery Facility in Istanbul from 1 to 15 June 2027.

Additionally, the 15th Conquest Cup (European Games Test Event and World Ranking Event) will take place from 24 to 29 May 2027. The teams and archers participating in the Conquest Cup will have the opportunity to remain in Istanbul until the Pre-European Games Training Camp, allowing them to combine competition experience with their final preparations for the European Games, the most important event for our continent in the 2027 season.

The training camp aims to provide teams with an opportunity to train in the host city in the lead-up to the European Games, acclimatise to local weather conditions, adjust to the local time zone, and fine-tune their preparations in a high-quality, competition-standard training environment. Teams will also have the chance to train alongside other European contenders and share valuable practice time before the start of competition.

On behalf of the organising team, we are delighted to invite your team and archers to participate in this training camp. Below you will find detailed information regarding the venue, location, fees and accommodation, as well as details of the online registration process.

We look forward to welcoming your athletes, coaches and officials to Istanbul.

Kind regards,

Sinan ÇITAK
President, Archers Foundation Sports Club
